

Course Overview

This training course covered dyslexia in children and young people.

The course aims were to provide key information about dyslexia, definitions, identification and strategies for assisting reading and spelling.

The 2 hour course was designed and delivered to 7 Trainee Teachers by a P4L Educational Psychologist.

Delegate Comments

- *A really useful and interesting course*
- *Great resources and strategies to use in school*
- *The session all together gave an amazing overview*

Qu. Which parts of the course were most useful?

- *Activities helped solidify what was discussed*
- *All of the useful ideas given to us and strategies we can use in school*
